Dear Patrick:

On behalf of the Tennessee Municipal League, we would like to thank you for your presentation at the League's recent annual conference in Memphis. What a pleasure it was to meet you and work with you.

Your session on NIMBYism was excellent – most certainly one of the best workshops of the conference. The information you provided was extremely beneficial to city officials as they plan for the future needs of their communities. We also received numerous positive comments on the Growth Management Panel and very much appreciate your willingness to do both.

Thank you, again, for sharing your expertise. We fully recognize that we would not receive such positive feedback from conference participants without the excellent presentations and stimulating discussions provided by individuals like you.

Please let us know what we can do at the League to assist you in the future.

Sincerely,
